Milan, June 8, 2017 – [Giglio Group](#) (Aim Italia-Ticker **GGTV**), the leading e-commerce 4.0 company, announces the launch in Israel on the Vonetize platform of the international Nautical Channel, therefore bringing to 53 the number of countries in which the channel exclusively dedicated to sailing and aquatic sports is available.

Vonetize is the leading OTT (Over The Top) VOD (video on demand) platform in Israel, with over 2 million users and which, since 2012, has distributed its content via web, on mobile and through Smart Tv APP's. The contract signed between Nautical Channel and Vonetize is for 2 years and typically is based on a "license fee", with revenues determined by the number of subscribers. The agreement runs from June 7, 2017, with automatic renewal on conclusion. With this agreement, Giglio Group launches in a new country, Israel, where the audience greatly welcomes a more interactive, personalised and digital experience, and extends its international presence, with 56 channels now distributed across the globe.

Nautical Channel, wholly-owned by Giglio Group, broadcasts in 6 languages, 24 hours a day, in 53 countries and on 5 continents. In addition to the America's Cup, the Nautical Channel broadcasts over 100 international sporting events, including the World Kite boarding League and the Volvo Ocean Race.
