SUPPLEMENT TO THE PRESS RELEASE OF SEPTEMBER 26, 2024

Milan, September 30, 2024 – At the request of the Supervisory and Market Authorities, and as a supplement to the press release published on September 26, 2024 regarding the "subscription of a Term Sheet related to a merger operation between Giglio Group S.p.A. and Urban Vision S.p.A." - the definitions contained herein shall be fully referenced in this press release - the following additional information is provided.

1. The Operation, if realized, would involve, as clarified in the aforementioned press release, the "acquisition, by Urban Vision S.p.A., of a majority stake in Giglio Group S.p.A." and it is currently foreseeable that it will be a reverse merger operation with the consequent application of the rules set forth in Title 2.9 of the Regulations of the Organized and Managed Markets by Borsa Italiana S.p.A. Additionally, based on the consolidated financial data as of 31.12.23, Urban Vision presents the following consolidated data:

CONSOLIDATED

31/12/2023

Revenue: €63,560,888

EBITDA: €14,021,639

Net Financial Position: (€18,155,929)

2. Regarding the condition for the suspension of the finalization of the Operation concerning the absence, for Urban Vision, of the "obligation to submit a public offer pursuant to Articles 106 et seq. of Legislative Decree 24 February 1998, No. 58 ("TUF")", it is specified that there is ongoing consideration of the hypothesis that the exemption from the public offer obligation set forth in Article 49, paragraph 1 No. 3 (i) of Consob Regulation No. 11971/1999 ("Regulation on Issuers") may apply.
3. Furthermore, it should be noted that Meridiana S.p.A. forms part of the Term Sheet as the controlling shareholder of Giglio Group S.p.A. and has undertaken a commitment to provide financial support to Giglio Group S.p.A. in case of necessity during the interim period (defined as the period between the date of subscription of the Term Sheet and the closing date of the potential Operation). In this regard, the Related Parties Committee has been activated and has received complete information on the Term Sheet.

4. Based on the current state of negotiations between the parties, it is anticipated that the potential Operation will not be finalized before the first quarter of 2025, pending the fulfillment of each of the suspended conditions provided for in the Term Sheet.
